INSTITUTIONAL DISTINCTIVENESS

Vision:

To Spread the Light of Knowledge in Society by providing Quality Teacher Education.

Mission:

To provide a conducive environment for teaching, learning with the use of modern methods and technology as well as providing quality education with minimal fee students.

Overall Development of Student:

As the Institute is located in rural areas so admitted students lack in confidence, communication skill and leadership qualities so every department nurtured the dreams of all round excellence in education through various departmental activities. Teachers motivate the students for participation at regional, state level activities conducted by other Institutes.

Commitment:

We are dedicated to meeting the needs of the communities we serve. Support the mission and vision of the Colleges. Focus on students and stakeholders needs. Respond to the changing needs of our communities in a timely manner. Create new programs and services to meet identified needs. Continuously evaluate and improve programs, services, systems, and policies. Utilize a shared decision-making process.

Discipline among students:

College endeavors to inculcate a strong sense of Discipline in its functioning to ensure students build high levels of commitments. Discipline is implemented by Principal, Anti-Ragging Cell and Discipline committees with emphasis on maintaining attendance and abiding by dress code.

Excellence:

We strive to develop and pursue higher standards.

- Exhibit quality in staffing, facilities, programs, and services.
- Promote continuous improvement.
- Anticipate needs and respond accordingly.
- Encourage creativity, innovation, and risk-taking.
- Utilize systems that promote students and employees success.
- Exceed student and stakeholder expectations.
- Encourage decision-making at the level of implementation.
- Encourage interdepartmental collaboration.
- View setbacks as learning experiences.

Development of students in academics for career development:

Students of this Institute are from rural areas. Exposing them to various fields of Pharmacy profession, making them aware of career opportunities globally, encouraging them for higher studies thus become mandatory.

Entrepreneurship and Start-up:

Learning Entrepreneurial skills encourages creativity, innovation, and collaboration among students. We at Smt. Champaben Vasantbhai Gajera Pharmacy Mahila College have started an Entrepreneurship and Start-up culture. Students are encouraged to develop novel ideas and turn these ideas into start-ups. Several awareness programs are organized to ignite young minds for start-ups and entrepreneurship.

Developing Leadership and intellectual skills among students:

As majority of our students comes from rural families and economically marginalized groups, they lack in confidence. To encourage them and enhance their confidence, institute encourages them to participate in Quizzes, Paper presentations, Social gathering etc. The institute takes initiatives in arranging co curricular and professional activities at State and national levels, too.

Thrust areas:

The Institute always focuses on and implements with pride India's rich heritage and trained at the same time in modern scientific thought. Our youth should begin to develop the new nation as a superpower in Employment, Economical, research, resources, technology etc.

Certificate Course in Employability Skills:

In future we are planning to introduce certificate courses to train the students in employability skills to make them for competent for a job interview. This certificate course will target B.Pharm students and develop Resume Writing, Interview Techniques, Group Discussion, Presentation Skills, the Art of Public Speaking, Job Search Techniques, Communication Skills, and Body Language.

Evidence of Success:

- Students are opting for higher education in wider areas of interests
- The enrollment of students for higher education is increased wonderfully.
- Turning them into highly responsible, able, and competent and confident professionals.
